What is a Pilot type A

- Goal:** service pilots with interoperability as the central theme aiming to demonstrate a “federated” solution and borderless operation of national systems
- Outcome:** to implement an open, common interoperable solution with results widely disseminated and available to all member states
- Duration:** typically 36 months with a pilot service operating for 12 months
- Response: ...** a proposal embracing existing national activities and evaluated to the published evaluation criteria
- Scale:** implementation in 6-10 Member States but with the potential to scale up to all member states
- Participants:** National administrations (relevant National Competence Centres), service providers, industrial stakeholders and users
- Funding:** supports up to 50% of costs of the effort to achieve interoperability (Community contribution available is 5-10M€ / pilot)

PEPPOL – eProcurement Interoperability

Aim

- Address the Procurement Directive to create an open internal market for SME
- Demonstrate an interoperable solution in the following 5 steps:
 - Virtual Company Dossier
 - eCatalogue
 - eOrdering
 - eInvoicing
 - eSignature
- Build consensus among all MS and industry
- Develop a long term sustainability of the infrastructure

Project Data

- Includes 7 MS plus Norway
- Cost ~20M€ with 9.8M€ Funding
- Started 1/5/2008 for a duration of 3 years

PEPPOL

- CIP PSP Pilot A action
- Duration 3 years
- Budget 19.8M
- Address 5 elements:
 1. eSignatures
 2. Virtual Company Dossier
 3. eCatalogues
 4. eOrdering
 5. eInvoicing

ICT PSP Work Programme 2009 Enlargement of Pilots A

Objective 3.1: Extension of PEPPOL

- Pilot A on eProcurement
- enlarge by MS who are now ready with a national service
- Increase the geographical coverage (in particular EU12)
- Increase the impact on key element such as e-Invoicing and e-Catalogue.

Expected Outcome and Characteristics

- **three** additional relevant administrations
- **lay the foundation** for the methodology to encompass all Member States
- long term **sustainability** plan
- To be submitted by the **coordinator** of the running PEPPOL
- *Improved **competitiveness** of European businesses*
- *Development of **markets** for innovative ICT solutions for e-Procurement*
- *Help addressing the financial crisis*
